

Hello! I hope you are staying safe and (emotionally) positive during these last months of 2020.

Greene County United Way (GCUW) is hosting the **Home for the Holidays Concert**, which will be live streamed on our Facebook page on Friday, December 11 beginning at 7:00 pm. This is a free, feel-good event to bring our community together while we continue to maintain 6' social distances.

GCUW's goal is to showcase individuals, duos, bands, choirs, or anyone who would like to perform to submit videos of themselves singing/playing their favorite holiday song. These videos will be strung together to create our "Live" event.

WE ARE CURRENTLY LOOKING FOR MUSICIANS TO PARTICIPATE! There is no cost to you to submit a video – all we need is your registration form and, of course, video of your holiday song. GCUW would also like a short video of you introducing yourself (or your band, your choir, etc.) along with names of those participating. And, at the end of the event, we will be promoting your next performance so please include the date and location of your next show, if applicable, on the registration form.

And, while we aren't asking for a payment, we encourage you to share the Holiday Concert on your social media accounts so your friends/fans can watch your performance.

Videos/registration forms can be uploaded to our dropbox account - <https://www.dropbox.com/request/3CHOdcPxKSJ6hkLeAOkg>. You can send your video to us any time between today and Friday, December 4 at midnight.

If you are interested:

- Please make sure your video is NO LONGER than 3:30 minutes long.
- Please edit your videos. While we will be tying the videos together, we cannot do any major editing. We can, however, take off a few seconds at the beginning or end, if needed. If this is something you would like us to do, make a note on your registration form.
- If a child under the age of 18 is participating, their parents MUST sign the registration form to consent.

Attached is the registration form and event flyer. If you would like more information, additional marketing materials or would like to register online, visit www.greencountyunitedway.org/homefortheholidaysconcert. You can also contact the GCUW office at 724-852-1009 or info@greencountyunitedway.org.

Thank you for your time and consideration. I can't wait to hear your renditions of this holiday season's songs.

Sincerely,

MaChal Forbes, GCUW Executive Director
